

# 4' Wide Cargo Specifications

Small in size, but big in capability, our 4' wide by 6' long trailer is perfect for vacations, camping, delivery, workday chores, and more. Unlike some small trailers, our 4' wide is built using the same tough construction as our larger trailers, at a surprisingly affordable price.

## 4' WIDE SINGLE AXLE

# 5' Wide Cargo Specifications

Our 5' wide is perfect for people who need a slightly larger trailer that can still be pulled by just about any size tow vehicle, including the smaller wagons and SUVs. Its practical size makes it extremely popular with homeowners, recreationists, and business owners who take work and play seriously.
